

# JYJ Profile

JYJ, a subgroup of Asia's legendary boyband Dong Bang Shin Ki is finally making their debut in the US.

The group consisting of 3 out of 5 members from Dong Bang Shin Ki has launched their first album "The Beginning" under Warner Music.

The album, a mixed tape of various genres and languages boast of several high profile collaborations never done before in the history of Asian pop. The lead single "A Girl" is produced by hip hop maestro Kanye West and promises a duet of epic proportions in trendsetting East Meets West fashion.

Now in an effort to reach out to their global fanbase, they have cut their first album with predominantly English tracks <please fill in other tracks in labum>

JYJ members include Kim JaeJoong (23), Micky, Park Yoochun (22) and Kim Junsu (22). They have a massive fanbase all over the world and their first concert held in Tokyo June 2010 as a new regrouped identity attracted over 200,000 fans in attendance from 44 countries worldwide.

The concert DVD "JYJ Thanksgiving Live in Dome" topped the Oricon Charts at #1 shifting 140,000 copies in its first week of release. It is the second best selling DVD to date in Japan in 2010
